

Powerhouse Governance

Build Your Board Into a *Powerhouse*

What Our Workshop Attendees Are Saying

"Such relevant information..."

"This puts theory into practice..."

"A one-hour investment makes governance easy to understand..."

We offer our one-hour Powerhouse Governance Workshop for \$750

Welcome to Third Sector Group, where helping nonprofit boards engage in their work with clarity, confidence and action is our passion! We offer clients three paths: coaching, consulting and facilitation. Our work moves boards from the comfort zone to the confidence zone, and shows a strong bias toward action and results. We specialize in working with individuals and teams to boost performance in three key areas:

- Governance
- Financial Health and Fundraising
- Strategy Design and Implementation

About the Powerhouse Governance Workshop

An electrifying and highly engaging one-hour workshop on one of the most challenging and misunderstood aspects of nonprofit management.

At Third Sector Group, we believe...

- Your board is a strategic asset (or it should be!)
- Your boardroom can go from boredom to engaging and productive
- Creating clarity around key ideas builds alignment and moves the organization forward. Ideas like:
 - Accountability
 - Core function
 - Boundaries of authority
 - Roles
- Good governance is possible, teachable, livable and practical
